We Know Home

Unlike many manufacturers, we have chosen to remain in our hometown community. Founded in Spiceland, Indiana, in 1902, Draper remains committed to U.S. manufacturing.

Draper® products are proudly designed, engineered, and assembled in the USA.

Shading Solutions for Your Home.

Motorized FlexShade® window shades from Draper® provide the ultimate in comfort and convenience, plus add value to your home.

Motorized FlexShade®, Fabric: Phifer® SW5000 in Chenille/Driftwood 5%.

The Perfect Fabric

Draper® offers an unmatched spectrum of beautiful and functional fabric colors and styles from U.S. weavers Phifer® and Mermet USA® to solve any performance or aesthetic challenge.

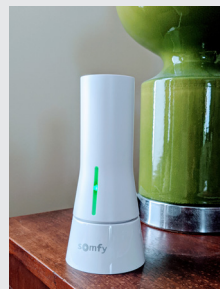

Make It Uniquely Yours

Want a custom printed shade to match your home design? Provide the Pantone® or Sherwin Williams® color number and we will match it. Or send us your own designs, artwork, logos, or patterns.

The Smart Choice

Integrate shades with the rest of your home systems for the ultimate smart home experience — and control them with your voice or via an app!

Take the Indoors Outdoors

Comfortable outdoor spaces are more important than ever. Use shades to create inviting outdoor spaces that are protected from the sun, wind, rain, and even insects.
